

BET Series

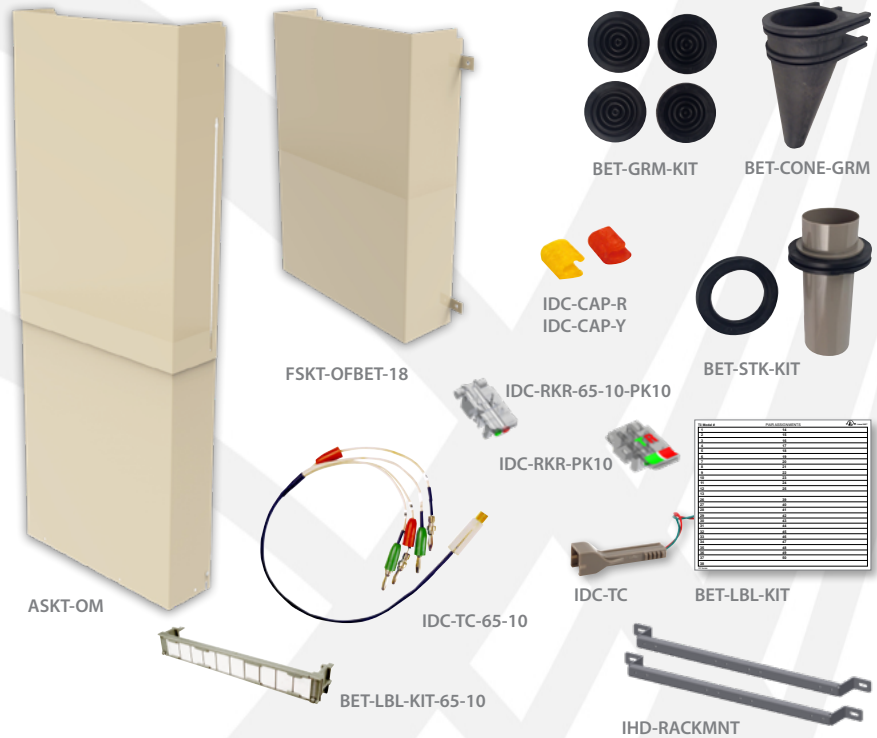

Accessories for All BETs

Protective Skirt Kits

Aluminum skirt installed below Indoor/Outdoor Fixed Building Entrance Terminals to provide physical protection for cables entering or exiting beneath the enclosure.

Adjustable Skirt Kit has a Telescoping bracket and skirt to accommodate various BET mounting heights of 2.5-4 feet (lower edge) from the ground.

Fixed Skirt Kit contains a skirt only accommodating a fixed BET lower edge mounting height of 18" or 25" from the ground.
